

Dear Parents/carers,

We are now looking into the possibility of starting our “Shooting Stars” sessions upon our return after the Easter holidays. This session is run specifically for children who will be starting school in September.

The sessions will run on a Monday afternoon, from 12:00 to 3:00pm, at the preschool. They will overlap the morning session with lunchtime. They will cost the hourly rate at the setting which is £4:00. You can also use your Government funding for this session if you have any spare 15 hours.

The aim of these sessions is to promote your child’s independence and develop their personal, social and emotional skills.

We need to know how many of you are interested in this session. We also need to know if this will be an additional session for you if you use all your 15 hours or if you are planning on altering sessions. This is because it will have an effect on our staffing ratios and needs to be planned for. We also may not run it if there are not enough children interested in this session.

Please complete the form below and return to Tina ASAP, **a hard copy is needed**, not just a verbal confirmation please.

Thank you
